Caring for people

Adamson House is a purpose-built residential care home located close to Preston City Centre with a wide range of facilities close by.

Here at Adamson House we provide care and support of the highest quality in a warm and homely environment.

Our staff are dedicated to providing a safe, comfortable and welcoming place our residents can call home.

Communal Area

Our recently refurbished and modern communal areas add comfort to the home.

Outside Space

Our pleasant and easily accessible garden is perfect for enjoying sunshine, reading or having tea with family and friends.

Catering

Our chefs prepare freshly cooked meals daily. We cater for all special dietary and nutritional requirements such as vegetarian, diabetic, halal etc.

Breakfast is served every morning in the dining room or in the bedroom according to the resident's wishes.

At lunch time, our residents are provided with a choice of starter, main meal and delicious desserts, served with tea, coffee and juices of their choice.

At tea time, a selection of sandwiches is served in the dining room or in the resident's bedroom if they wish.

And many many more.

Special holidays and festivals across all religions are always celebrated including Easter, Halloween, Diwali, Eid and Christmas to name just a few.

Regular trips are organised such as picnics. Barbeques, pub lunches, garden centre visits, shopping trips.

About Me:

I would like to take this opportunity to introduce myself.

I am Malick the new Manger of Addamson House Care Homes since February 2022. I have been working in the care industry for over 20 years.

Having previously been a Manager in a Dementia specialist Care Home my passion for care and dignity of our residents is at the forefront of everything I do.

I believe that everyone should be treated with respect and dignity and work hard to lead my team of carers to provide the best level of care tailored to each resident's needs.

More about Aadamson House

We are committed to providing quality care. In order to do this, we continuously assess our standards, gathering information from many sources and providing a feedback system that allows recommendations and improvements to occur.

We understand that in order to improve quality, we need to listen, learn and respond. Our quality assurance system includes; regular audits, internal and external inspections and information feedback, an annual quality and safety report that informs the business and service development plan. We provide a free trial day where potential residents can experience at first-hand the benefits of our home. We welcome families and friends to visit the home.

We are happy to discuss individual needs and to help with any questions or concerns you may have. During the process of the trial please do not hesitate to chat with one of our care team. We are here to help and offer peace of mind. We are regulated and inspected by Care Quality Commission (CQC).
